Dear Commissioner,

In response to the correspondence mailed from your office June 7, 2004 by Petitions Attorney Cliff Congo regarding Application Number **09/927,870**, please accept the following information.

Based on a copy of correspondence from Primary Examiner Daniel G. DePumpo dated 10/30/2002, enclosed with the above noted correspondence mailed June 7, 2004, it is my understanding that my Petition for Renewal was granted pending the election of "...a single disclosed species for prosecution on the merits to which the claims shall be restricted..."

I gratefully welcome that decision, and I chose to elect the species identified by Figure 3 of Application Number 09/927,870 as the single disclosed species for prosecution on the merits to which the claims shall be restricted.

Most respectfully,

H. Paul Odom
